

## Application for Financial Aid & Scholarships

### At Tutoring Excellence,

We believe in offering the highest quality education services to our students. To facilitate this, we happily consider each application for financial aid. Tutoring Excellence offers financial aid and scholarship awards based on the financial needs of each family without regards to race, ethnicity, religious affiliation, or sexual orientation. Financial aid and scholarships will be granted on a first-come, first-served basis. Financial aid and scholarship resources are limited and there is no guarantee that an applicant will be awarded any financial aid. However, we strongly encourage families to apply and to submit all necessary documents in a timely fashion, so that we can quickly evaluate what assistance we can provide. To qualify for our awards, students must be enrolled in a least a 96 session program and must attend at least three sessions per week. Families will have up to nine months to complete their program if awarded aid; after ten months any unused financial aid will be void and forfeited. Families may reapply for aid in the future.
